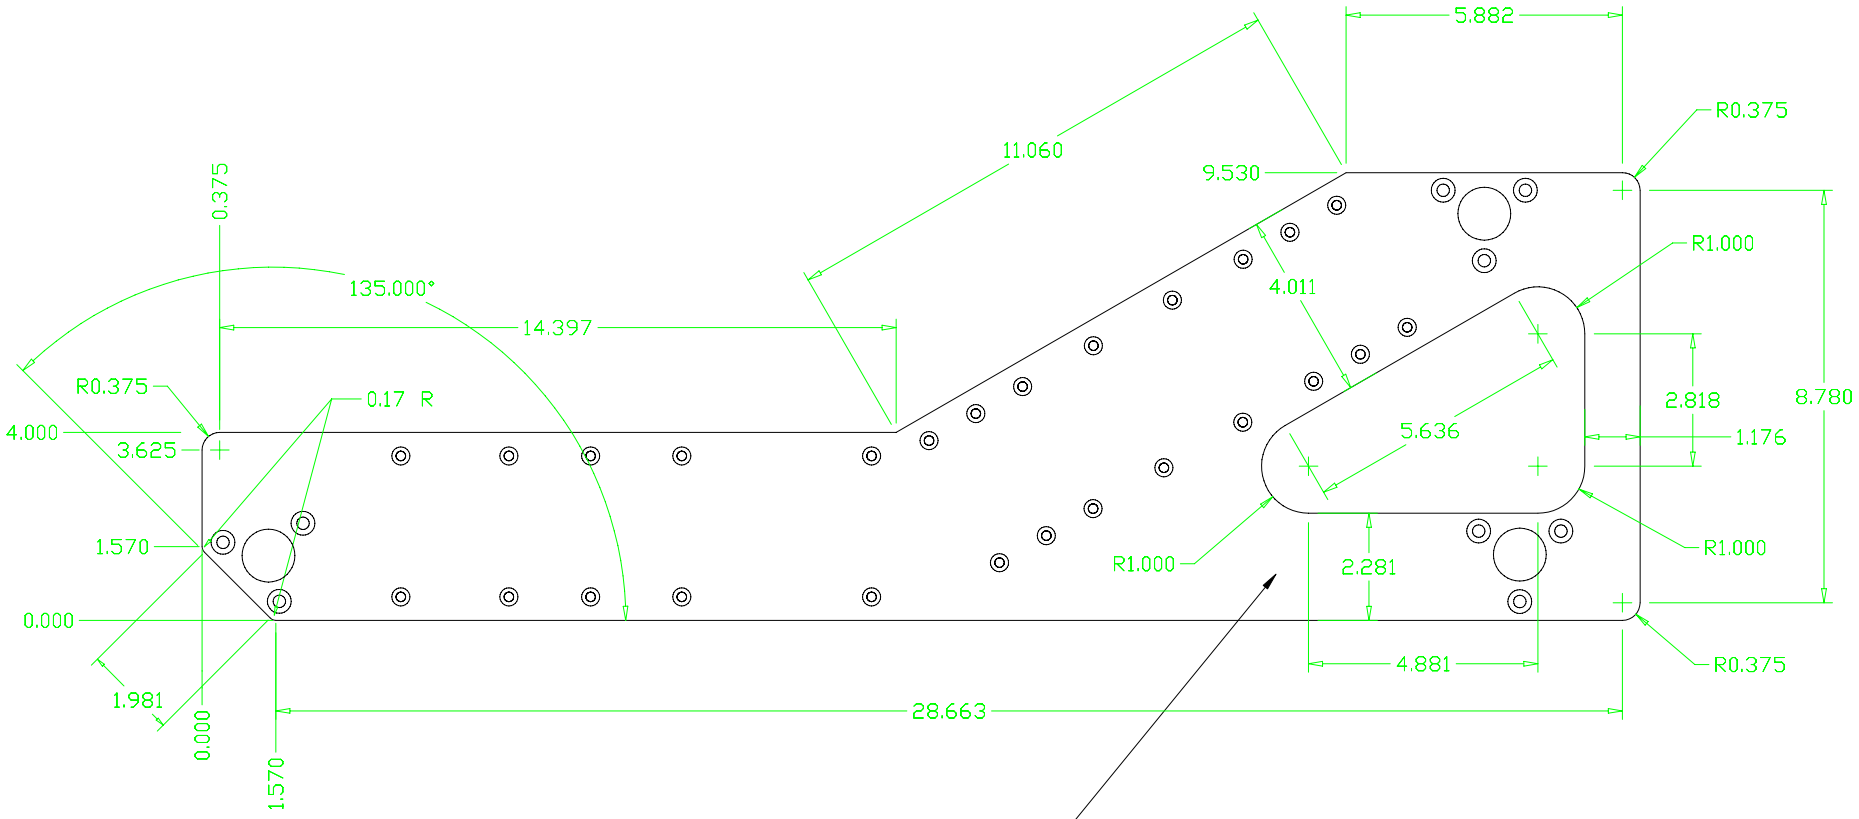
This is the outside view of the Right side version.



Lettering should be Helvetica 16 pt. on 2 lines like:
LCS PART# 2002-R OR LCS PART# 2002-L
RIGHT SIDE LEFT SIDE

Edge finishing: Plate edges should be smoothed, and the edge corners filleted by .02,.02 to remove sharpness.

Please note that this drawing decribes 2 parts; A left and a right version.
Both have the counter sinks on the 'outside', and thus are opposite from each other.
The 'inside' should be stamped or etched with lettering, approximately where noted.

Notes:	ID	Description	Qty
Dimensions: Inches ± 0.005 Unless Noted	A	Ø 0.203	26
Material: 3/16" 5052-H32 aluminum	B	Ø 0.265	9
Finish: Black Anodized	82° countersunk: A for 10-32 flathead. B for 1/4" flathead.
